

Children's Research Triangle

Heroes of our Hearts Gala

Celebrating the 25th Anniversary of Camp SOAR

Since 1998, Children's Research Triangle (CRT) has been improving the quality of life for Chicagoland children at risk for developmental, behavioral, psychological, or educational challenges. **Our mental health services for underserved children and Camp SOAR, an overnight summer camp for youth with developmental disabilities, reach families with few other options.** CRT is committed to increasing accessibility of services for children so that regardless of the challenges or disabilities they may face, they will receive the support necessary to lead happy and fulfilled lives.

CRT invites you to support our Heroes of Our Hearts Gala on November 9, 2024, which celebrates 25 years of Camp SOAR! Your donation will directly impact the lives of the 1,000+ children we serve annually through free mental healthcare and Camp SOAR. We would be honored to count you among the individuals and businesses that are mission partners in our work.

Sincerely,

Linda Schwartz, PhD
Chief Executive Officer
